

2023/24 Bus Passes

For 2023/24, Brockenhurst College is offering subsidised bus passes on a full academic year, termly & monthly basis. Full details, including use of additional public services, can be found on the reverse.

Students eligible for the Discretionary Bursary (DB) can purchase a further discounted pass, valid on all college services, at a flat rate of £40 per month or £400 for the academic year (with increased public service use).

All bus passes are issued as digital tickets and purchased via our new online store.

Termly passes have been reintroduced for 2023/24 and are now offered with a 15% discount. Full Academic Year passes are available for purchase at an Early Bird rate - affording a 25% discount - until 08/09/2023 (no deadline for £400 DB purchase). Passes are priced in 5 zones as per the above table.

Monthly passes are individually priced to reflect validity from the first to last teaching day of each calendar month (e.g. 15/04 - 30/04 only for April 2024). Monthly (incl. DB) and termly passes are prorated to the number of teaching days within a period, are sold individually and do not automatically renew.

PURCHASING & ACTIVATING A COLLEGE BUS PASS

Please register a new store account at <https://brock.collegestore.uk/> and then follow the on screen instructions to link this with your student record.

Where eligible for the Discretionary Bursary, please select "Bus Passes - DB Rate" from the menu. For all other pass types, please select the relevant bus zone (1-5 as per table on the reverse) and then a full year, termly or monthly (released throughout the academic year as required) product.

2023/24 bus timetables are available on the Travel page of the College website and multiple services (e.g. C1 & C2) & locations (within the same zone) can be added to a single pass at checkout. The higher zone rate is typically payable for a multi-zone pass, please email travel@brock.ac.uk to confirm.

2023/24 bus passes will be issued as digital tickets via the MoreBus app. Download instructions for the app and a unique code to activate the digital ticket will be emailed to the student's primary email address (as confirmed during enrolment). Post-04/09/2023, codes will be generated and emailed at 5:00 pm on the day of purchase (or next working day).

FULL ACADEMIC YEAR

The Early Bird product is our 2023/24 Full Academic Year (FAY) pass and is offered with a 25% discount.

FAY passes will be available for purchase until 11:59 pm on 08/09/2023 only (no formal deadline for purchase at the £400 DB rate). If the Early Bird deadline is missed, purchasing all 3x termly passes will afford the same 15% discount historically available to FAY purchasers.

Please note FAY passes are sold on a full year basis and are non refundable excepting withdrawal from College. Refunds following withdrawal are processed in line with usage (last date of attendance/use of the digital ticket) at the equivalent full monthly and/or termly rate - e.g. for withdrawal in November 2023, the September, October & November 2023 charges would apply; for withdrawal January 2024, the Autumn term (with 15% discount) and January 2024 charges will apply. A full refund is available should you not enrol for September 2023.

TERMLY

Reintroduced for 2023/24, our termly passes are now offered with the same 15% discount previously available to purchasers of a full academic year pass, but without the full year commitment. A full refund is available should you not enrol for September 2023.

2023/24 termly passes are sold as standalone products on a full term basis, do not automatically renew for the subsequent terms and are non-refundable excepting withdrawal from College. Refunds following withdrawal are processed in line with usage (last date of attendance/use of the digital ticket) at the equivalent full monthly rate - e.g. for withdrawal in November 2023, the September, October & November 2023 charges would apply.

MONTHLY

Our monthly passes are intended for students planning to drive as the year progresses or who might require access to College buses for only a short period of time. If a pass is required for the full academic year, we recommend purchasing a discounted Termly or Early Bird product.

Monthly passes are individually priced and prorated to the maximum number of teaching days within a month (e.g. 21x days for November 2023 vs 11x days for December 2023). Purchasing a pass for subsequent months is optional.

Monthly passes are valid from the first teaching day of the month (e.g. 11/09/2023 for September 2023) and expire on the final teaching day of the month (e.g. 15/12/2023 for December 2023). We recommend purchase of October 2023-onward passes the final working day of the previous month (e.g. 29/09/23 for the October 2023 pass, 31/10/23 for the November 2023 pass, etc., as per the reverse).

DB

DISCRETIONARY BURSARY

DB

Students eligible for the 2023/24 Discretionary Bursary pay a reduced rate for bus passes purchased through the college - £400 for the full academic year (a single, zoneless, upfront payment) or a flat, monthly rate of £40 (10x individual passes with no full year commitment).

See <https://www.brock.ac.uk/sixth-form/bursaries-financial-support/> for bursary eligibility criteria / apply online at <https://brock.paymystudent.com/portal/>.

With the upfront payment option, a single ticket is issued for the full academic year and public service use during all reading weeks and both the winter and spring breaks is included. Under the monthly payment option, a new ticket is issued with each purchase and month-specific public service use (as per below) is included. Monthly tickets do not renew automatically and the standard purchase dates (as per the reverse) apply to this £40 rate.

PUBLIC SERVICE USE

Brockenhurst College and Go South Coast (GSC) have worked closely for over 30 years and GSC offer purchasers of a college bus pass the flexibility of travelling free of charge on their BlueStar 6, 8 & 9 and MoreBus X1/X2, X3 & X6 public services. Please note that Brockenhurst College does not sell passes for use exclusively on the above public services; these must be purchased direct from the operator.

Unrestricted use - including daytime, evenings, weekends, the winter/spring breaks and all reading weeks - of the above public services is available 11/09/2023 through 04/07/2024 to purchasers of a 2023/24 FAY pass. Termly passes are also valid during reading weeks (e.g. unrestricted use 11/09/2023 through 15/12/2023 for the Autumn term pass). Use of termly passes during the winter and spring breaks may also be offered.

For our monthly passes, public service validity is linked to college teaching days (vs a calendar month). Daytime, evening and weekend use of the BlueStar 6, 8 & 9 and MoreBus X1/X2, X3 & X6 public services is available to monthly pass holders providing their college pass is active - e.g. unavailable 29/03/2024 - 14/04/2024 given both the spring break closure and that April 24 passes are priced for validity 15/04/2024-onward only.
